

REMARKS/ARGUMENTS

The Examiner, in the Notice of Non-Compliant Amendment, courteously indicated that claim 3 was presented two times.

In reviewing the Listing of Claims, Applicant observed that Applicant had inadvertently left claim 1 in the Listing of Claims and erroneously designated this as claim 3. This was the first claim designated claim 3, and it has been deleted from the current Listing of Claims in the present Supplemental Amendment.

The Arguments with respect to claims are in the previous Amendment. Applicant understands the Office's instructions concerning 37 CFR 121 to indicate that these prior arguments should not be repeated but will be considered since they were not in a non-compliant portion of the prior Amendment.

DATED this 5th day of April, 2004.

Respectfully,

Barney J. Auman
